What is the SCV ?

The Sons of Confederate Veterans, in furtherance of the Charge of Lieutenant General Stephen D. Lee, shall be strictly patriotic, historical, educational, fraternal, benevolent, non-political, non-racial and non-sectarian. The Sons of Confederate Veterans neither embraces, nor espouses acts or ideologies of racial and religious bigotry, and further, condemns the misuse of its sacred symbols and flags in the conduct of the same. Each member is expected to perform his full duty as a citizen according to his own conscience and understanding. The citizen-soldiers who fought for the Confederacy personified the best qualities of America. The preservation of liberty and freedom was the motivating factor in the South's decision to fight the Second American Revolution. The tenacity with which Confederate soldiers fought underscored their belief in the rights guaranteed by the Constitution. These attributes are the underpinning of our democratic society and represent the foundation on which this nation was built. Today, the Sons of Confederate Veterans is preserving the history and legacy of these heroes so that future generations can understand the motives that animated the Southern Cause.

Dear Compatriots,

August has been a very slow month as there were no activities this month. Firstly I apologize for not attending the meeting. August has been a very busy month as I have just started my first year of High School. Also I have my duties with the Friends of the Doby Cemetery. Which can take up alot of my free time. Please let me know if you have any news that you wish to enter in the newsletter. This month marks two years since the passing of beloved Camp Chaplain Frank Egger. Therefore this newsletter is dedicated to his memory.

For Christ and the Confederacy,

Beauvoir Living History

Special to the Volley

Last Saturday August 19, members of the Vols and other Camps including (most likely) the Shieldsboro Rifles, Gainesville Vols, Sam Davis. Conducted our 3rd Saturday Living histories at beautiful Beauvoir once again! Sadly I could not get any pictures from the participants. Although I did get a picture from Beauvoir from a past living history.

Beauvoir Happenings!

News Around the Confederation

Our beloved Beauvoir has been receiving some well needed TLC lately. Most noticeable is the "huge" green gate right in front of the mansion. Which was built after Katrina. Now with the use of state funds it is being rebuilt. Also the Library cottage has been refurbished. Soon the Hayes cottage will follow. Lastly the mansion will be fitted with proper glass.
