What is the SCV ?

The Sons of Confederate Veterans, in furtherance of the Charge of Lieutenant General Stephen D. Lee, shall be strictly patriotic, historical, educational, fraternal, benevolent, non-political, non-racial and non-sectarian. The Sons of Confederate Veterans neither embraces, nor espouses acts or ideologies of racial and religious bigotry, and further, condemns the misuse of its sacred symbols and flags in the conduct of the same. Each member is expected to perform his full duty as a citizen according to his own conscience and understanding. The citizen-soldiers who fought for the Confederacy personified the best qualities of America. The preservation of liberty and freedom was the motivating factor in the South's decision to fight the Second American Revolution. The tenacity with which Confederate soldiers fought underscored their belief in the rights guaranteed by the Constitution. These attributes are the underpinning of our democratic society and represent the foundation on which this nation was built. Today, the Sons of Confederate Veterans is preserving the history and legacy of these heroes so that future generations can understand the motives that animated the Southern Cause.

Dear Compatriots,

September has been a very slow month as there were no activities this month. Firstly I apologize for not attending the meeting. September has been a very busy month as I have just started my first year of High School. Also I have my duties with the Friends of the Doby Cemetery. Which can take up alot of my free time. Please let me know if you have any news that you wish to enter in the newsletter. This month SCV legend Charles Sullivan passed. Therefore this newsletter is dedicated to his memory.

For Christ and the Confederacy,

Honoring Dr Sullivan

Special to the Volley

Last Saturday September 16, the Vols had the honor to help give final honors to Compatriot Charles Sullivan. Those participating from Camp 373 were Jack DuPont, Andrew Weems, and Cmdr Daryl Ladner. The Sullivan family extended their thanks. Dr Sullivan was very beloved and well known in the Gulf Coast region for history. Dr Sullivan was a member of the Sam Davis Camp 569, Beauvoir.

Oh Victory, How Sweet the Sound!

From National SCV Leadership

We are in a fight for the soul of our nation, and you have played a key role in our grand victory in the House of Representatives today. We are pleased to announce that the House has passed the Clyde amendments, Nos. 174 and 238 to the National Defense Authorization Act FY 2024.

You pressed the attack by sending over 6100 letters to Congress through One Click Politics. You must celebrate this moment, but tonight through October 1st we humbly ask that you continue to fight.

The Sons of Confederate Veterans is proud of its members, and we need you for one more push. A push that will keep our momentum as we go into the Senate with the NDAA FY 2024. If we can maintain the integrity of the legislation and the Clyde amendments, Congress will have defeated the unfinished work of the Naming Commission. Celebrate your victory boys, but then be ready to press forward again! We cannot stop, we cannot yield, we must advance and take the ground! The end is in sight, and all we ask is you stay the course and continue to send out new letters that we will provide.
