Turtleskin Cemetery Confederate Memorial Service

On July 9th the Gainesville Vols held a combined memorial with our sister camp the Shieldsboro Rifles Camp 2263 of Bay St. Louis. We honored almost 30 Confederate patriots that rest in Turtleskin Cemetery. Our speaker and Master of Ceremonies was Charlie Schmitz who did an amazing job and our Chaplain Jimmy Ivy opened the ceremony with a word of prayer. Thank You to all that made this possible and a special thank you to the Turtleskin Cemetery Committee who allowed us to have this all to happen. And we cleaned all the headstones and repaired the ones that were damaged and placed small flags on all the graves. We had a Salute and a Cannon salute and sounded taps after the Cannon and

Volley salutes and all the descendants were presented a certificate in honor of there's ancestors service and a very special Confederate Purple Heart was presented to the descendant of Private William Hardy Dean who was injured at the Battle of Franklin and was put in a Prisoner of War Camp almost three times. And again thank you to all who participated and made the memorial a reality!

The Line of Flagpoles at Beauvoir have been repaired and are now flying proudly !

After many months of the Flagpoles at Beauvoir being nonfunctional and waiting for the proper parts for the flagpole being on order they arrived and have been installed. Such a beautiful site has been restored for all to see now and forever. Thank you to all the volunteers and employees at Beauvoir who made this possible.

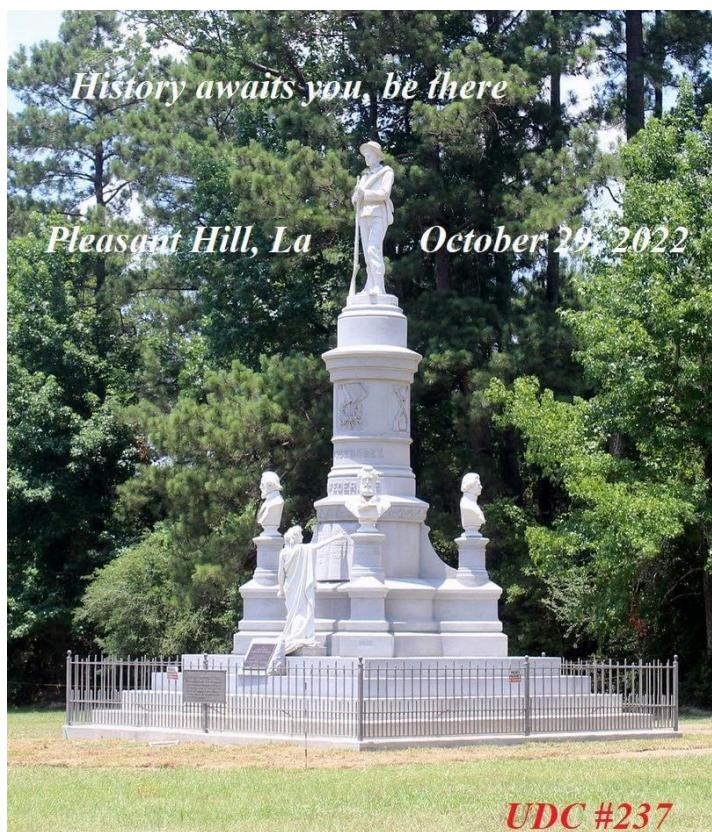

What is the SCV ?

The Sons of Confederate Veterans, in furtherance of the Charge of Lieutenant General Stephen D. Lee, shall be strictly patriotic, historical, educational, fraternal, benevolent, non-political, non-racial and non-sectarian. The Sons of Confederate Veterans neither embraces, nor espouses acts or ideologies of racial and religious bigotry, and further, condemns the misuse of its sacred symbols and flags in the conduct of same. Each member is expected to perform his full duty as a citizen according to his own conscience and understanding. The citizen-soldiers who fought for the Confederacy personified the best qualities of America. The preservation of liberty and freedom was the motivating factor in the South's decision to fight the Second American Revolution. The tenacity with which Confederate soldiers fought underscored their belief in the rights guaranteed by the Constitution. These attributes are the underpinning of our democratic society and represent the foundation on which this nation was built. Today, the Sons of Confederate Veterans is preserving the history and legacy of these heroes so that future generations can understand the motives that animated the Southern Cause.

The Shreveport CSA Monument to be re-dedicated by U.D.C # 237

After a few years the Courts and the Shreveport UDC have reached a decision. The monument has been moved restored and reinstalled all being payed for by the city to a more prominent location somewhere near the Battle of Pleasant Hill and the re-dedication set to October 29, 2022. And the U.C.V monument that was there is now in the hands of the SCV and I have no information on that .

The Colors

This month we will look at The flag of the 4th Missouri Infantry Regiment is a Van Dorn pattern battle flag. It had a red field adorned with thirteen white stars arranged in five rows, with a white crescent in the upper corner. It also has a yellow border. A number of Trans-Mississippi commands used this flag. When General Van Dorn brought his regiments to the east of the side of the river in 1862 to join Beauregard's army at Corinth, Mississippi, they brought these flags with them and fought under them at the battle of Corinth in October of that year.

The 4th Infantry Regiment completed its organization in April, 1862 with men from Springfield and the surrounding area. Most all of its members served in the Missouri State Guard. It moved east of the Mississippi River, took an active part in the Battles of Iuka and Corinth, then was assigned to Bowen's Brigade, Department of Mississippi and East Louisiana. It participated in various conflicts during the Vicksburg operations and was captured in July, 1863. Exchanged and assigned to General Cockrell's Brigade, the 4th was consolidated with the 1st Missouri Regiment. This command fought in the Atlanta Campaign, was part of Hood's operations in Tennessee, and became part of the forces defending Mobile. It totaled 547 effectives in May, 1862, and reported 15 killed, 87 wounded, and 27 missing at Corinth. During the Atlanta Campaign, May 18 to September 5, the 1st/4th had 12 killed, 87 wounded, and 27 missing and sustained 38 casualties in the fight at Allatoona. Only a remnant surrendered in May, 1865. The field officers were Colonel Archibald Macfarlane, Lieutenant Colonel Waldo P. Johnson, and Major Stephen W. Wood.
